

The National Safety Council

The Value of Membership

The History of NSC

Celebrating 100 Years of Safety

- First Cooperative Safety Congress, 1912
- Founded in 1913
- Charitable, Nonprofit 501(c)(3)
- Non-Governmental
- Congressional Charter
- More than 51,000 Members
- 5,000 Active Volunteers

What is NSC?

Our Mission:

The National Safety Council saves lives by preventing injuries and deaths at work, in homes and communities, and on the roads through leadership, research, education and advocacy.

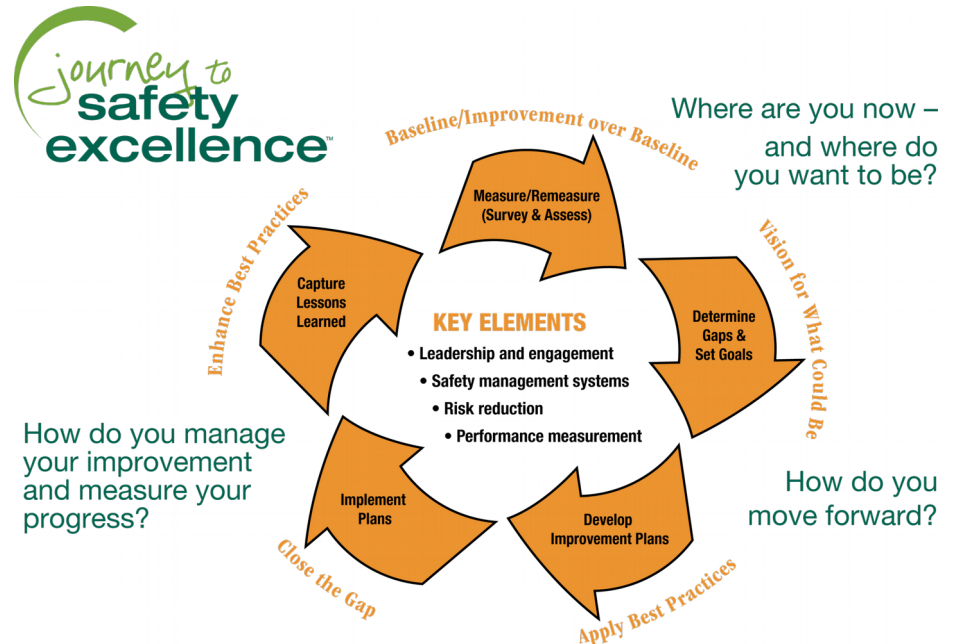

Our Vision:

Making our world safer

Helping you navigate your way through your journey

- Where are you now – and where do you want to be?
- How do you move forward?
- How do you manage your improvement and measure your progress?

NSC Member Benefits

Membership benefits are designed to provide you with the safety tools, resources and information you need to educate and engage your employees on the Journey to Safety Excellence. This type of engagement may result in:

- Lower workers' compensation costs
- Fewer injuries
- Zero OSHA fines
- Reduced absenteeism
- Better health insurance rates
- Higher levels of productivity

Resources

***Safety+Health*® magazine:**

FREE annual subscription to *Safety+Health* for all your designated employees (\$67 value per subscription)

Mailed monthly, *Safety+Health* provides:

- Analysis of the latest news and trends affecting occupational safety and health
- An inside look at government regulations and legislative initiatives
- Industry-specific information to help you manage safety on and off the job

Encourage your employees to opt-in at nsc.org/members.

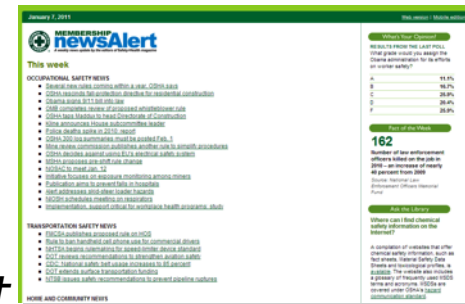

Keeping you informed

Membership News Alert

All your employees can receive this weekly e-newsletter, containing the most up-to-date national and international safety and health information. *Membership News Alert* is emailed every Friday.

Membership Advantage newsletter

This quarterly member-exclusive newsletter keeps you in the know on your member benefits, instrumental safety practices, company profiles and creates a sense of community among members.

Benefit spotlight

This monthly email communication is designed to remind members how to take advantage of the various benefits available to them as a member of the National Safety Council.

Opt-in for Benefit of the Month and other member benefits at members.nsc.org.

**National Safety Council
Library and Information Services**
Your gateway to safety and health information

The National Safety Council Library houses the most comprehensive safety and health collection in the world, and continually adds the latest safety information to its unique holdings.

When you need safety information from reliable sources, the Council's professional librarians can help you find regulations, best practices and safety research - both current and historical. The librarians gather and share information on all aspects of safety - at work, at home, on the road and in your community.

Your NSC membership includes Library information services

National Safety Council members receive convenient and personalized services, including:

- Targeted online searches of the Library's collection of 171,000+ documents
- Access to the online bibliographic catalog
- Monthly "Library Alerts" highlighting selected additions to the collection
- Access to "Ask the Library" FAQs and archives
- Referrals to safety experts within NSC
- Links to other safety resources

Contact the NSC Library at (800)621-7615, ext. 52199, or library@nsc.org.

Upcoming Free Webinars

Members Helping Members-How to keep employee injury claims out of the courtroom
Wednesday, Oct. 27

Save the Date!
Richard Fairfax of OSHA will present, OSHA's Top 10 Violations for 2010
Wednesday, Dec. 8

Off-the-job safety-A strategic objective
Available On-line now

Training & Education Offerings

Emergency Care Training

- First Aid & CPR
- Automated External Defibrillation (AED)
- Emergency Care Instructor Training
- First Responder

Defensive Driving Courses (DDC)

- DDC 6 & 8 hour
- DDC 4 hour
- Alive at 25
- Attitudinal Dynamics of Driving
- DDC Online Program (free to operators of GSA vehicles)

Workplace

- OSHA 10 & 30 Hour General & Construction
- Asbestos Awareness
- Office Ergonomics
- 80 Additional Programs

THE TOP 5 REASONS
DDC Online can benefit your employees

- #5 Receive up to a 10% discount on car insurance premiums for three years.*
- #4 The new curriculum is tailored for each driver based on user input for factors such as age, vehicle type and the types of conditions in which you drive.
- #3 Learn the shocking statistics of the dangers of cell phone use and texting while driving.
- #2 FREE to drivers of GSA-leased vehicles
- #1 There is a chance you'll save a life!

*Check with your insurance carrier to see if you qualify.

GSA Fleet customers enroll here:
<http://drivethru.fas.gsa.gov/>

Motor vehicle crashes are the leading cause of death for people younger than 39 and those between the ages of 30 and 72.

Make taking a defensive driving course an agency requirement – and let the National Safety Council help. Our training puts proven knowledge to work for you to help you build the skills and perspective you need to prevent injuries and save lives on the road.

Monthly newsletters

Your choice of a **FREE** monthly newsletter - **Traffic Safety®** or **OSHA Up to Date®**

OSHA Up To Date newsletter

This monthly newsletter includes reports on the latest modifications, interpretations, legal developments, and proposed changes in occupational safety and health regulations. It also includes discussions on standards and rulemakings.

Traffic Safety newsletter

This monthly newsletter is an authoritative source of news for every professional responsible for keeping our streets and highways safe. It covers key areas, such as legislation, law enforcement, road/vehicle/driver conditions affecting traffic safety, engineering innovations, motor vehicle statistics, and driver training.

Downloadable Resources

NSC's downloadable resources provide an easy and inexpensive way to engage your employees and enhance your safety culture. Downloadable resources include:

- **Webinars:** examples include “hot” topics such as OSHA’s Top Ten Violations, Dangers of Distracted Driving, OSHA: Recordable vs. Reportable
- **Safety posters:** Hang them around your organization to remind employees that safety is everybody’s responsibility
- **Safety talks:** Share these five minute safety talks, safety tips and lessons at the start of every meeting.

More downloadable content

- **Safety presentations:** These PowerPoint presentations explain key safety issues that transcend all industries.
- **Injury Facts:** Created by NSC, Injury Facts is the most comprehensive guide to injury statistics. It can be used in your reports, presentations or meetings.
- **Ergonomics Safety Toolkit:** NEW (Workplace series also available)

Ergonomic injuries are responsible for 29% of workplace injuries. This toolkit provides you with the tools you need to keep your employees safe from ergonomic injuries. The toolkit includes:

- Ergonomic 5-Minute Safety Talk
- Ergonomic assessment form
- Ergonomics in the workplace webinar
- Ergonomic posters

More downloadable content

- Transcripts from the Executive Edge Track at the annual NSC Congress & Expo where industry leaders come together to discuss issues impacting the safety and health industry.
- More than 80 Workplace Solutions articles now are archived and categorized by topic.
- A wide range of inspection checklists for small business from general to manufacturing and food service.
- Data Sheets: compiled, revised and reviewed by National Safety Council division members, this collection of data sheets provides quick reference to safety information on topics you may face everyday
- Sample emergency preparedness plan and emergency training documents
- Off-the-job safety information, tips and resources to keep your family safe at home and on the road

NSC Knowledge Center

The National Safety Council Library, home to the most comprehensive collection of safety and health materials in the world, is continually adding the latest safety information to its holdings.

Our librarians can help you find regulations, best practices and safety research – both current and historical. They gather and share information on all aspects of safety at work, at home, on the road and in your community.

Networking opportunities

- Network with other industry leaders
- Examine, discuss and provide solutions to current safety, health and environmental problems and concerns
- Contribute to projects focused on providing solutions
- Participate in technical content preparation and review of NSC programs and materials
- Help develop public policy statements that can potentially impact safety concerns throughout the nation

Networking Opportunities & Events

- 2012 NSC Congress & Expo
Congress: Oct. 20-25
Orlando, FL
congress.nsc.org

- 2013 NSC Congress & Expo
Congress Sep. 28- Oct. 4
Chicago, IL

Emergency Alert Network

- The Emergency Alert Network was developed to help our nation respond to a declared public safety or health emergency.
- A designated emergency contact will receive critical health and safety information, as well as recommendations for businesses, from the Centers for Disease Control and prevention.

For more information, visit nsc.org/ean.

NSC awards program

A recent survey published on [Business.com](#) found that 84% of companies polled saw a reduction in accidents after implementing a safety awards program.

Our nationally recognized awards program:

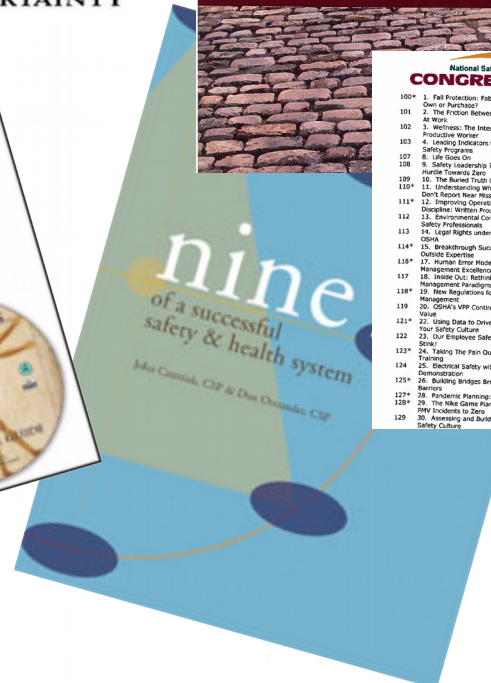

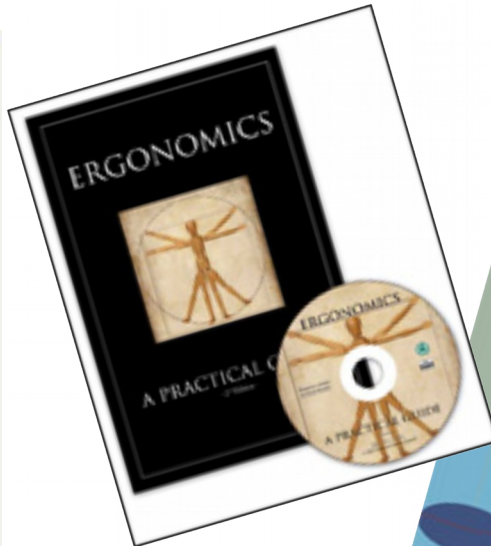

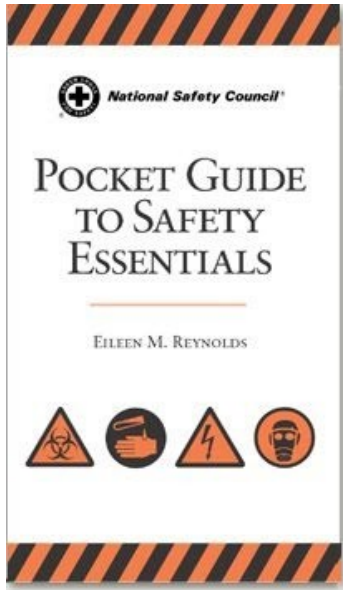

- Offers both organizational and individual awards
- Acknowledges injury-free and illness-free workplaces, significant improvement in safety, safe driving, outstanding work records and more
- Easy reporting and ordering process

New benefits as of July 2012
